## Merry Christmas from American Exterior Lighting!

As the festive season approaches, homes across our beautiful Charlotte region begin to shimmer with the magic of Christmas lights. At American Exterior Lighting, we believe that every twinkle and glow tells a story, and we're here to help you craft yours. Founded by Taylor McEachern, a proud alumnus of Belmont Abbey Class of 2020, our journey began amidst personal milestones and challenges. From graduation amidst a pandemic, tying the knot with his college sweetheart, Emma Wolff, to the joyous news of their first child, the spirit of family and celebration has been at the core of our business. Today, American Exterior Lighting stands as a beacon of hope, determination, and quality in the world of exterior care, and festive light installations.

### Why Choose Us?

- **Expertise and Passion:** Our team, with its keen eye for design, crafts bespoke lighting displays that not only illuminate your home but also capture the essence of the festive season.
- **Safety and Precision:** We prioritize your home's safety, ensuring every light is securely installed, letting you enjoy a worry-free holiday season.
- **Local Trust:** As a trusted name in the Lake Norman area, we pride ourselves on building lasting relationships based on quality work and unparalleled customer service.
- **Tailored Designs:** We believe every home is unique. Our team works closely with homeowners to bring their festive vision to life, ensuring each display is as individual as the families we serve.
- **Community and Family Values:** Rooted in family values, we're not just a business; we're a part of the Charlotte community, dedicated to spreading festive cheer and warmth.

As the holidays draw near, we invite you to experience the American Exterior Lighting difference. Let us transform your home into a mesmerizing winter wonderland, making it the star attraction of the neighborhood. Thank you for considering American Exterior Lighting for your festive lighting needs. We look forward to brightening your holidays and creating memories that will last a lifetime.

### Warm Regards,

Emma & Taylor McEachern, and the rest of the American Exterior Lighting team

# GET THE BEST CHRISTMAS LIGHTS IN 5 EASY STEPS

---

## 1. DESIGN & QUOTE

First, one of our team members will reach out to schedule an appointment at your convenience. During this meeting, we'll discuss your vision for your holiday display, assess your property, and create a fully customized Christmas lighting design. You'll receive a detailed quote upfront, ensuring complete transparency with no hidden fees or costs.

## 2. SCHEDULE

We will schedule your installation date and supply all the Christmas lights and necessary materials, so you won't need to purchase anything yourself. We've got everything covered for a seamless installation.

## 3. INSTALLATION

Our professional team is fully licensed and insured, ensuring that your property and family are in safe hands. We handle the installation with the utmost care and expertise, so you don't need to worry about any damage or unprofessional work.

## 4. MAINTENANCE

Should you experience any issues like a faulty bulb, weather damage, or flickering lights, rest assured that our team is here to help. With our Christmas Light Installation services in Charlotte, NC, you can call us anytime, and we guarantee to have a technician out to you within 24 hours to fix the problem at no extra cost.

## 5. REMOVE & STORE

When the holiday season comes to an end, don't worry about packing up the lights. We'll handle everything for you, storing them safely and securely until next Christmas!
